

CHILE GLOBAL

FUNDS **FCH**

OUR PURPOSE AND VISION

ChileGlobal Ventures is the consolidation of Fundacion Chile's Venture Capital trajectory. We invest in startups that **develop innovations that make an impact in sectors of high potential and interest for Chile and Latin America.** With more than 40 years of trajectory, more than 200 startups impacted, two VC funds launched and our four lines of impact, we have built a great network of possibilities for all members of our community to **strengthen the Venture Capital ecosystem and support the success of our startups** in each of their growth phases.
